Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: The Applicant called the Examiner stating that they received a notice that their request for a pre-appeal brief conference was too long. The Examiner stated that the notice was sent out by the office for being too long, and the request should be resubmitted with corrections. After explaining several times that the request was too long, the Applicant failed to understand. The Applicant then contacted Sonya Williams who again told him that according to protocol, the request cannot be more than 5 pages total. The Applicant then contacted Examiner Hani Kazimi who again explained to him that the request was too long and needed to be resubmitted. Hani Kazimi reiterated to him several times that the request was indeed too long. The Applicant refused to cooperate with protocol. Examiner Hamilton phoned the Applicant to let him know that the request would be considered at this time, but urged him to follow protocol in the future to prevent delays in prosecution.
